Birth Card

All About Your Birth Card

The Nine of Diamonds Person

The Card of Universal Values and The Giver's Card

Nine of Diamonds people are here to 'let go' and complete a major chapter in the evolution of their soul and personality. This entails a lot of giving to others and being willing to release both people and material things from their life when the time comes. If they have not heeded the call to give and let go of others, money, relationships, and love, their life can be filled with disappointment and remorse. Those on the positive side are philanthropic and generous, happy and productive. All have the opportunity to experience first hand, the heightened consciousness that comes from living a 'universal' life.

Despite losses from time to time, these people can do very well in business, especially when it involves selling or other creative enterprises. They are great at promoting things they believe in. They are great talkers and communicators. Many become counselors, if not professionally, then at least with their friends and family. If they keep their values in proper perspective, they may even attain affluence. A disregard for the higher laws will inevitably result in misfortune and misery. They should be careful while driving and when taking any kind of risks and chances. They can be reckless or accident prone.

They also have great minds and many are attracted to some professional work that allows them to use their intellectual abilities.

One of the challenges of the Nine of Diamonds is to develop and use their charm and power to do some good work. Many of them are destined to make great contributions to the world, often by leading others to a higher form of knowledge or understanding.

Some of the Nine of Diamonds Issues Concerning Relationships

Nine of Diamonds like to have someone to talk to and prefer relationships with those who are witty and smart. Most of them have at least one challenging marriage of a karmic nature and there are usually responsibilities associated with family, spouse or children. Marriage is usually karmic, or destined, and often long lasting. The men should always beware of female Club cards, except the Jack of Clubs, who might make a good marriage partner. They tend to have traditional values about marriage and are very giving people and easy to get along with.

Planetary Ruling Card

All About Your Planetary Ruling Card

The Four of Diamonds As Your Planetary Ruler

The Card of Solid Values

This ruling card gives you a lot of good organizational talent and the ability to manage money well. You are probably a good worker and may even enjoy kinds of work that others disdain. You can be stubborn about your likes and dislikes as well as your philosophies about money and life. You are fond of travel, but probably won't get to do a lot of it until you are older. To you, life is work, and you will always have to work in order to have any happiness. Even in your personal relationships, the work is a requirement. Nothing comes to you without a price. But the enjoyment of work can be part of the reward for doing it and will ultimately bring you everything that you desire.

Auspicious Events

Auspicious Events Occurring for You This Year

You can find your True Purpose this Year

There is at least one occurrence of a Six card in your reading in a prominent position (Long Range, Pluto, Result, Environment or Displacement). This might be in either your Birth Card Spread, or your Planetary Ruling Card spread. Either way, this gives you a special opportunity, but one that is only taken advantage of by those who are aware of it. Sixes give us an opportunity to discover what our true purpose is for our life. Most people search their entire life to discover what their life is about and whether or not they have some special purpose or goal that they are to achieve during their time here on the planet. Many never find this purpose at all. Because of the presence of a Six card in a powerful position this year, you will have a special opportunity to discover what your purpose is. Of course, this only applies to you if you have the desire to know. If you are not that interested in knowing more about your life's direction, this will probably manifest itself as a year of steady progress towards existing goals.

Sixes can be frustrating as well because they often represent static and unchanging conditions in our life. However, they also bestow upon us a special ability to perceive that which is usually hidden from our conscious minds. By listening to our inner voice, we can receive great inspiration and direction when these cards are present and you have at least one of them for this entire year. If you have more than one Six in a prominent position in either your Birth Card or Planetary Ruling Card Spreads, then this message becomes even more significant.

Study any and all Sixes that you find in these prominent positions this year, along with other Sixes that appear in your Yearly Spreads. They will reveal much about the special destiny that is coming your way. Good luck on your path to inner discovery.

Birth Card - Year Long Cards

The Cards that influence your entire year.

The cards in this part of the report are from your Birth Card's yearly spread. These are the most important influences of the year so pay close attention to them. There will usually be a second part using cards from another of your personal signifiers. But the Birth Card part is the most significant.

Your Long Range Card

Your Long Range Card is perhaps the most important card of the year. It defines something or someone that will be a major focus of your attention. It is neither positive or negative, just a place where a lot of your time, energy or attention will be spent throughout the year.

The Ten of Spades as the Long Range Card

The Ten of Spades is one of the best cards for success and satisfaction in your work and in health, though you can bet that you will have to work for it. With this powerful card present, it is advised that you make a list of all that you want to accomplish this year and get working. You will be successful. At times you will feel that all you do is work, work, work, but for most, the rewards will be more than worth the effort. Success related to groups is highlighted.

Keywords:

A year of hard work and major accomplishment. Success with groups is assured. Make a wish list and be willing to work.

Your Pluto Card

Your Pluto Card is also a very important card in the Yearly Spread. It signifies something or someone that will cause a significant change in some part of your life. It may define an area where you experience a 'mini-death' in your life, a place where you release a negative pattern to make room for a more positive way of life.

The Three of Clubs as the Pluto Card

This is a year when you will be striving for more creativity and more forms of personal or professional expression. Whether this means working two jobs at once or being more creative and expressive in your current line of work, you will have to make some effort to achieve the results you desire. In your quest for more creativity you will also have to contend with the limitations of the mind - too much mental activity can cause indecision and worry and these can lead to stress and lack of focus.

The Three of Clubs can be a card of extreme worry and indecision, but this is only the case when the creative aspects of the energy are not being properly expressed. Keeping a balance between the positive and negative manifestations of this card will be a challenge for you this year. Your Result Card for this year will point to either a person who is involved in this division of yourself, or to more information about the specific content of your creative urges and desire to do two things at once.

Affirmation:

I am developing my creativity. Dividing my interests and energies transforms me. I strive to be a writer and to fully express my thoughts and feelings.

**Your Result
Card**

Your Result Card combines with the Pluto Card to help define your big change and challenge of the year. But in addition, the Result Card will be someone or something that you will end up with by your next birthday that is a blessing in your life. It is like the gift that you will receive for all the hard work you did this year to transform yourself.

The Five of Diamonds as the Result Card

This will be a year of many changes for you and as a result of dealing with your Pluto Card you may find that by year's end you are in a much different place than when the year started. There may be a new relationship, living location, and a new career on the horizon. Behind these changes you are undergoing a shift in your basic values. At times there may be some challenges as people and situations seem to confront you. But it seems that change is inevitable.

A change is coming that it will be a good one that leads you in new directions and provides more and much needed personal freedom.

Affirmation:

I complete this year with an entirely new set of values that sets me free to explore new areas in my life.

**Your
Environment**

Your Environment Card represents someone or something that will act in a beneficial manner for you throughout the year. It is an area where things will come easily to you, something or someone to be grateful for. It is always a good thing regardless of what card it is. You will collect good things from this card all year long.

The Ten of Spades as the Environment Card

Card

A willingness to work hard and take on extra projects will bring you unusually good success this year. This influence also can help to overcome health or work challenges that may be present. To get the most from this favorable card, make a list of goals and things that you wish to accomplish as you start the year. That list, combined with a willingness to do whatever it takes, can bring you great accomplishments in the areas you desire.

Your Displacement Card

Your Displacement Card usually indicates an area where you will have to pay closer attention in order to have success for this year. It can be a person or thing that requires you to give them extra energy in order for that thing or person to be a benefit in your life. It can also signify 'special' occurrences that only come in certain years of life.

You are displacing the Two of Diamonds this year.

This can be a year of significant financial success, especially through your connections with other people. It is through partnerships and agreements of all kinds that your best financial prospects will be found. Be ready to make a deal with whoever brings one your way. At the same time, you will have a certain amount of success with the public and possibly some success in your personal relationships because you will be clear about what you want.

The Cards Influencing Your Saturn Period

Your Saturn
Period lasts
from
09/11/1996 till
11/2/1996

About the Saturn Period Cards from This Spread

The Saturn Period follows Jupiter and is almost the reverse of it in it's influence. Whereas Jupiter is expansive and abundant, Saturn is often restrictive and burdensome. The two cards found in this period will combine to tell you what influences are present and therefore, what is likely to occur.

Our Saturn Cards often describe who or what are our major challenges or difficulties for the year. However, by facing these challenges, we can learn many things that will aid in our ultimate success. Saturn teaches us patience and responsibility.

The cards below are from your Birth Card's Yearly Spread. Therefore, they are some of the more important Saturn Cards of the year and will apply specifically to the areas of your life and personality that are represented by your Birth Card.

**Your Direct
Saturn Card**

The Queen of Clubs in the Saturn Period

During this period you will have to be careful of what you say and how you say it. Any impatience on your part could result in more problems than it's worth. Most Clubs women you meet or associate with will seem burdensome or difficult now, each perhaps with a different lesson to teach you. Any mental work you are involved in will seem more difficult but the end result will be a more solid foundation on which you can build

your future success.

Be on the lookout for women of the Clubs suit, especially those who you are romantically involved with. These are likely to prove troublesome or burdensome in some way during this period.

**Your Vertical
Saturn Card**

The Five of Spades in the Saturn Period

Health issues or a journey caused by someone's illness, may cause a change in your job or home during this period. A change in career or work will involve more work and some problems though it may be unavoidable. Changes tend to bring more harm than good now though you may not be able to avoid them as they may be necessary for other reasons. This card can also represent a change in your health condition (for the worse) or a visit to a doctor.

This would not be a good time to take a vacation or travel so try to schedule any trips either before or after this period. The only exception to this would be if you have a very strong card as the other Saturn Card, such as a four or eight, which could bring satisfactory results with minimal struggle.

The Cards Influencing Your Uranus Period

Your Uranus
Period lasts
from 11/2/1996
till 12/24/1996

About the Uranus Period Cards from This Spread

After the often grueling struggle of the Saturn Period, the Uranus Period usually comes as a welcome relief. Everything tends to lighten up and we tend to focus on the people we hang out with both socially and at work. The two cards found in this period will combine to tell you what influences are present and therefore, what is likely to occur.

Things often happen unexpectedly in Uranus or the things that happen have an unusual quality about them. Our Uranus Cards often foretell the success or failure of our relationships at work or in other circles.

The cards below are from your Birth Card's Yearly Spread. Therefore, they are some of the more important Uranus Cards of the year and will apply specifically to the areas of your life and personality that are represented by your Birth Card.

**Your Direct
Uranus Card**

The Eight of Hearts in the Uranus Period

Success in spiritual study and working with groups is highlighted now. The power and charm that you are now experiencing can be applied in your work or humanitarian endeavors with great success. You should find that you are successful wherever you direct this power during this period, though spiritually related activities are highlighted by the influence of Uranus. This is a card of cooperation among friends and co-workers.

Because of the power of this card, it is almost a guarantee that this will be a very successful and prosperous period. Even if your other Uranus Card were one of challenge or difficulty, this card's power will overcome it and have a successful outcome to the situations that arise.

**Your Vertical
Uranus Card**

The Seven of Diamonds in the Uranus Period

This influence can bring an unexpected or unusual loss or outlay of money, or a situation with real estate, labor (employees), or speculation that leaves you feeling worried about money. You are given an opportunity now to experience an unfettered knowingness of prosperity and abundance if you choose. All you have to do is practice appreciation and follow your intuitive knowingness that you are safe and protected in the abundance of this magnificent universe.

This is a good influence for spiritual matters, learning new spiritual information, attending classes, etc. Also, keep in mind that a positive card, such as a four, eight, or ten, in the other position this period would offset any problematic situations that may arise and bring about good results overall.

The Cards Influencing Your Neptune Period

Your Neptune
Period lasts
from
12/24/1996 till
02/15/1997

About the Neptune Period Cards from This Spread

The Neptune Period is the one that always begins 52 days before your birthday each year. It is the last period of the year. This period is one of the best times to take a vacation, especially if that vacation will take you to a foreign country.

Our Neptune Card(s) often represent who or what are our 'hopes and fears' for the year. It can represent things that we secretly want or things that we may be afraid will come to pass. The Neptune Period is usually not a good time to make any definite decisions about our future as things often appear blurred from our point of view.

The cards below are from your Birth Card's Yearly Spread. Therefore, they are some of the more important Neptune Cards of the year and will apply specifically to the areas of your life and personality that are represented by your Birth Card.

The Three of Diamonds in the Neptune Period

This influence brings worry over some money matter, perhaps connected with travel or distant interests. Indecision and confusion over financial matters can dissipate your energies and vague fears and worry may interfere with your desire to achieve financial success. Also

**Your Direct
Neptune Card**

miscommunications are a distinct possibility now and clarity should be stressed here. It is best to postpone any important financial decisions until after this period.

The best way to handle this influence is to direct it into creative expression. This is one of the better cards for ideas that can both make you money and also allow you to express yourself.

You don't have a Vertical Neptune Card this year.

Planetary Ruling Card - Year Long Cards

The Cards that influence your entire year.

This section has influences from your Planetary Ruling Card. Though not quite as significant as your Birth Card's influences these will, just the same, be things that occur in your life and some may be very important. Keep in mind that these two spreads represent two separate things happening during the same time period. There is no need to try and combine their influences.

Your Long Range Card

Your Long Range Card is perhaps the most important card of the year. It defines something or someone that will be a major focus of your attention. It is neither positive or negative, just a place where a lot of your time, energy or attention will be spent throughout the year.

The Six of Hearts as the Long Range Card

The Six of Hearts is a symbol of stability and perhaps monotony in love and affections. For those who seek a secure foundation in love this could be a welcome situation, though there will likely be compromises and lessons. At the same time, the karmic nature of the six indicates the possibility of relationships that are in some way paying off old debts, even from past lives. If a significant new relationship does enter your life this year, you can bet that this will bring with it the balancing of the karmic scales in terms of love and affection. This year will show you the value of giving as you 'reap what you sow' in the areas of love.

Whatever the specific nature of the events in your relationships this year, it is sure that what you will be experiencing will help you to develop an appreciation for being responsible for yourself as far as your romantic and friendship connections are concerned. Remember the words of The

Beatles song,

"And in the end, the love we take, is equal to the love we make."

Keywords:

I learn about responsibility in love and how to make compromises to maintain balance in my closest relationships. I open myself up to discovering a special and higher purpose for my life's work.

**Your Pluto
Card**

Your Pluto Card is also a very important card in the Yearly Spread. It signifies something or someone that will cause a significant change in some part of your life. It may define an area where you experience a 'mini-death' in your life, a place where you release a negative pattern to make room for a more positive way of life.

The Six of Spades as the Pluto Card

Health and work issues could take the spotlight for you this year as this heavy-duty 'karma card' brings you the results of your past actions, both good and bad. The Six of Spades card tends to create peace and balance in all things and this may require the payment of past debts. If you have not been good to your body lately, now is the time you may be forced into making changes. The same goes for work and other life-style areas.

Another major objective for you this year will be having to contend with some sort of static situation in your work or health that perhaps you are wanting to be different. The Six of Spades is a strong influence of things in stasis, not changing. It can prevent travel, moves, changes in employment or health so it is wise to have these areas in good condition before the year begins. It can indicate a year of trying to get a job or

trying to change jobs and having to contend with a lack of success or change in that area. Your success this year will come from acknowledging the current situation and making compromises and adjustments to get the most out of what is already there.

Maintain balance at all costs. This is your key to success. This card can also indicate a less than desirable health condition that keeps reminding you of a need to change your health habits. Your Result Card will give you more information about this static situation or tell you who is involved in it.

One of the greatest potentials of this card is that you could actually discover or deepen your connection to an important and meaningful purpose in your life. This card's appearance in this important spot could be the signal of the time in your life when you find something of greater meaning to stand for.

Affirmation:

I am learning to take responsibility for my health, my work and life habits. I learn to make compromises. I am discovering my true life's purpose.

**Your Result
Card**

Your Result Card combines with the Pluto Card to help define your big change and challenge of the year. But in addition, the Result Card will be someone or something that you will end up with by your next birthday that is a blessing in your life. It is like the gift that you will receive for all the hard work you did this year to transform yourself.

The Queen of Clubs as the Result Card

In some way related to your Pluto Card this year, you will achieve a stronger connection to your inner source of guidance as well as success

in areas where you use your mental abilities to serve others. This could be as a teacher, writer, publisher, or even a secretary, but it will be some communications related field. On the spiritual side, this card could lift you to new heights of inspiration as direct lines to higher knowledge and guidance open up for you.

This card is also a powerful indicator that you could end up with some woman of the Clubs suit by your next birthday. Whether this be a friend, lover or family member, there is a strong indicator that the two of you will be joined in some meaningful way by year's end.

Affirmation:

I achieve more intuition and success applying my knowledge in a service capacity. I receive divine knowledge.

**Your
Environment
Card**

Your Environment Card represents someone or something that will act in a beneficial manner for you throughout the year. It is an area where things will come easily to you, something or someone to be grateful for. It is always a good thing regardless of what card it is. You will collect good things from this card all year long.

The Queen of Spades as the Environment Card

Blessings and good fortune this year will come through hard work, organization and spiritual self-mastery. This is an important year when you could actually make some important inner changes that could altar the way you perceive your life and in turn, altar your destiny. If you are a Spades woman, benefits will come through your role as a mother or as a romantic partner. Everyone else will benefit from relationships with Spades women of all denominations.

**Your
Displacement
Card**

Your Displacement Card usually indicates an area where you will have to pay closer attention in order to have success for this year. It can be a person or thing that requires you to give them extra energy in order for that thing or person to be a benefit in your life. It can also signify 'special' occurrences that only come in certain years of life.

You are displacing the King of Hearts this year.

Depending upon your sex and your marital status, you could either have a year of focusing on romantic matters, being a father, or mastering your emotions. The King of Hearts can also bring success in any of the artistic fields or any area where you deal with people or the public. Use this card to get what you want romantically and to also master your own emotional problems. You have a kingly love nature this year that can bring many good things into your life.
